REMOVAL OF NAME OF MEMBER
AS COSPONSOR OF H.R. 3287

Mr. CAREY. Mr. Speaker, I hereby remove my name as cosponsor from H.R. 3287.

The SPEAKER pro tempore. The gentleman's request is accepted.

NORTH CAROLINA IS AMERICA'S
TOP STATE FOR BUSINESS

(Ms. MANNING asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. MANNING. Madam Speaker, I rise today to celebrate a recent milestone in my home State of North Carolina. CNBC just recognized North Carolina as America's Top State for Business in 2022.

Thanks to the American Rescue Plan and bipartisan infrastructure law, North Carolina's economy persevered through the pandemic and is continuing to grow rapidly.

Major companies like Toyota and Boom Supersonic Jets are building innovative manufacturing operations in North Carolina's Sixth District, proving that we have what businesses want.

With a well-equipped workforce, investments in infrastructure and research, and stellar institutions of higher education, it is no surprise that North Carolina is garnering national recognition for its business-friendly climate and strong economy.

I thank Governor Cooper for his leadership. I will continue to work with our elected officials and businesses to ensure that North Carolina remains the strongest economic State in the country.

RECOGNIZING THE RUTH M. SMITH
CENTER

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Madam Speaker, I rise today to recognize the Ruth M. Smith Center in Sheffield, Pennsylvania, for 100 years of service to their community.

The Ruth M. Smith Center has been supporting the community of Sheffield since 1922 when the Smith family gave

their home to the Women's Society of Christian Service. Since then, the home has served as an orphanage, a daycare preschool, and as a personal care home for adults with intellectual and physical impairments as well as older adults.

The center is a staple of the Sheffield community as it continues to provide support and assistance to those who need care beyond the basic necessities of food and shelter.

As a nonprofit association, the Ruth M. Smith Center is able to support those who cannot afford the costs of care through donations by individuals, churches, and State grants.

Madam Speaker, the Ruth M. Smith Center is a testament to the power of community groups to uplift those most in need of support. It is a privilege to congratulate them on their continued service to Sheffield, Pennsylvania.

REPORT FROM ROBB
ELEMENTARY SCHOOL SHOOTING

(Ms. JACKSON LEE asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. JACKSON LEE. Madam Speaker, I hold in my hand the interim report 2022 Investigative Committee on the Robb Elementary School Shooting. Tragically, I was there within days of the shooting in May. Tragically, I got to listen to parents whose children bled out. All of us know the story of a little girl who smeared blood on herself just to have them think she was dead.

Part of what this report says is at Robb Elementary School, law enforcement responders failed to adhere to their active shooter training, and they failed to prioritize saving the innocent victims over their own safety. There was no command post, as this report says, and there was no point of command.

But really I think what is important is that we are due for Federal involvement, as I have called. It is time now to give answers to our community. And let me simply say the words that struck me in this executive summary: We recognize that the impact of this tragedy is felt more profoundly by the people of Uvalde in ways we cannot fully comprehend. Their children are dead, and we have no answers, and there are people who failed to save the children's lives.

I call for a congressional investigation and hearings so that we can give them solutions and not just concerns. They need it, because their children's lives are lost.

DEMOCRATS' FAILED ECONOMIC
POLICIES

(Mr. COMER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. COMER. Madam Speaker, today, I rise to discuss yet another disastrous

economic record for the Biden administration: Inflation has hit 9.1 percent. Grocery costs are up. Gas prices are up. Nearly every essential item for living is up.

The Biden administration's failed economic policies and congressional Democrats' unchecked spending has put our economy on the verge of recession.

In Kentucky, citizens are paying twice as much at the gas pump as they did last year. In fact, Kentuckians have seen a 50 percent increase in gas prices since last year and a diesel increase of 84 percent, which is detrimental to the farming industry.

Farmers are at their breaking point. The USDA recently reported that farm expenses are expected to rise by over \$20 billion next year alone.

I am hearing from constituents in Kentucky's First District who are deeply concerned and rightfully so. Farmers are saying it is costing thousands of dollars more per day to keep their farm equipment operational due to the skyrocketing price of diesel. This is unsustainable.

On top of inflation, it is clear that President Biden has made diminishing American energy production a top priority.

Madam Speaker, Americans are in trouble. No matter how hard Democrats try, Congress cannot spend their way out of this problem.

SUPPORTING BIRTH CONTROL

(Ms. BROWNLEY asked and was given permission to address the House for 1 minute.)

Ms. BROWNLEY. Madam Speaker, last month, the extreme and radical wing of the Republican Party and the Supreme Court took a dangerous and detrimental strike against women's reproductive rights by overturning *Roe v. Wade* and dismantling decades of healthcare and privacy protections, and they are not stopping there.

In his opinion, Justice Clarence Thomas threatened American women that the Supreme Court will no longer protect the right to birth control.

Nearly all women in the United States use contraceptives at least once during their lifetime and an estimated 65 percent of women use a form of birth control every single day.

This is but another egregious component of the radical Republican agenda to restrict women's rights and the fundamental right to her bodily autonomy.

This is why I am supporting the Right to Contraception Act, and I urge all of my colleagues to vote "yes" to protect access to birth control.

House Democrats will not be deterred in the fight for the health, safety, and reproductive freedom of women and every American.

BIDEN'S VISIT TO SAUDI ARABIA

(Mr. ROSE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. ROSE. Madam Speaker, this weekend, President Biden took a trip to Saudi Arabia with the purpose of asking Crown Prince Mohammed bin Salman to increase oil output. News reports are saying the President might have come home empty-handed after the Crown Prince informed the President that Saudi Arabia is already close to reaching maximum output.

I don't understand why the President would go through all this hassle when we have what it takes to increase oil output, lower prices, and reemerge as the energy-independent country we were under President Trump, right here at home. The President could have saved time and taxpayer dollars by taking a trip to Texas, Louisiana, and Oklahoma.

Unfortunately, as long as the Biden administration continues to implement more regulations and restrictions on investments in the oil and gas industry, we will continue to be at the mercy of foreign countries and their dictators.

GATEWAY SOLIDARITY

(Mrs. WAGNER asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Mrs. WAGNER. Madam Speaker, as we stand here today, Vladimir Putin continues his unconscionable assault on the sovereign nation of Ukraine, displacing millions of families and killing thousands of innocent civilians.

In response to this horrific assault, my home State of Missouri has projected the colors of the Ukrainian flag on to our State capitol, as well as both landmarks in St. Louis and Kansas City.

My bill here today will illuminate the Gateway Arch, the defining structure of the St. Louis skyline and a symbol of pride for the people of St. Louis, Missouri. It will also show the world that we stand united in solidarity with the people of Ukraine.

Madam Speaker, with the support of the entire Missouri delegation, I urge my colleagues to pass this legislation.

A NEW RECORD OF BORDER CROSSINGS

(Mr. GROTHMAN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. GROTHMAN. Madam Speaker, in the midst of all the talking about the love affair the Democratic Party has for abortion and talking about Ukraine and making another vote there, I am afraid the press isn't going to pick up on the numbers that have just been re-

leased for border crossings of illegal immigrants or people we have not appropriately vetted for June of 2022.

It is a hot month in Mexico and a hot month on the border, so the numbers are not as great as the prior month, but compared to past Junes, we have once again set a record, and nothing is being done about it.

If you look at two Junes ago, June 2020, a total of about 11,000 people were allowed in this country.

Last June, we shot up from 11,000 to 79,000, and this year we are at 142,000.

Madam Speaker, that is 142,000 in one month; once again, a record in June of the number of people crossing the border, and all this body can talk about is Ukraine and abortion. It is time to talk a little bit about the future of the country and ask what the Biden administration is doing to stop this invasion.

ADJOURNMENT

The SPEAKER pro tempore (Ms. STRICKLAND). Pursuant to section 11(b) of House Resolution 188, the House stands adjourned until 10 a.m. tomorrow.

Thereupon (at 7 o'clock and 19 minutes p.m.), under its previous order, the House adjourned until tomorrow, Tuesday, July 19, 2022, at 10 a.m.
